All designs for the memorial plaques must be approved by the Memorial Park Committee before the plaque will be ordered. All orders are to be paid in full prior to the placement of the order.

Remember a Veteran or Group of Veterans with a Special Memorial Placed in the Park.

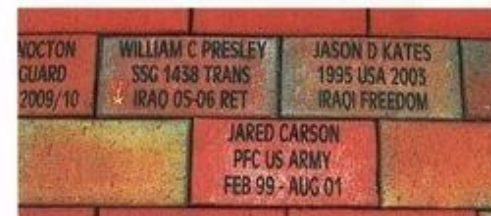

Veterans Memorial Park offers several ways to honor an individual veteran or a group of veterans.

These memorials provide a lasting reminder of the sacrifices that so many have made to secure our freedom in the United States.

Placement of a memorial in the Veterans Memorial Park ensures that it will be seen and appreciated by those who understand what it means to be a veteran and what we, as Americans, owe to each and every veteran.
